

Securing Your Business 2010

Conference and Trade Show
February 18, 2010

STAY AHEAD OF CRIME

Be part of *Securing Your Business 2010!*

In partnership with Halifax Regional Police community relations crime prevention and private security, **Securing Your Business 2010 Conference and Trade Show** will feature exhibitors from the alarm industry, security educators and trainers, and private security providers.

Presentations will include a discussion on workplace violence data in Nova Scotia and a new approach to risk management for violence called the SAV-T First program.

FEATURED PRESENTER

E. Kevin Kelloway, Ph.D.

Professor of Management and Psychology,
Saint Mary's University;
Canada Research Chair in Occupational Health Psychology;
Director, CN Centre for Occupational Health and Safety

Dr. Kevin Kelloway is an authority, and published author, on the topics of leadership, occupational health psychology and workplace stress and violence.

Dr. Kelloway maintains an active practice consulting with private and public sector organizations on issues related to leadership, safety and safety leadership,

occupational stress, performance management and measurement of employee attitudes and performance.

Dr. Kelloway will be discussing workplace violence data in Nova Scotia and a new approach to risk management for violence called the SAV-T First program.
